

Donate to Hilldrop Community Centre's

Christmas Appeal 2023

Our annual Christmas Appeal began in response to the COVID pandemic and cost of living crisis that still affects many in our community - especially elderly, vulnerable or isolated residents, and those on low incomes with children to support.

You can help us provide an individual or family with a gift bag of 'really useful things' by:

Making an online donation at www.hilldrop.org.uk/donate

Online donations allow us to buy groceries and difficult-to-afford necessities like household, sanitary & baby items. Some of the money raised will also go towards providing a free Christmas Dinner for local residents to enjoy together.

Bringing an 'in kind' gift to the centre

We welcome gifts of festive food, household items, toys/games and winter accessories such as hats, gloves, socks, slippers, blankets, shawls and hot water bottles (new items only please).

We are open Monday to Friday from 10am to 5pm.

Thank You!
