Hilldrop Bees: Identifying Bees & Understanding Pollination

Saturday 30th April - 12.30 to 2.30pm

Bees are one of nature's wonders!

See over for a guide to species commonly seen in April >

Join Alison from **Urban Bees** for a free talk on identifying bee species and the plants & flowers they feed on. Learn more about what you can do help them thrive in the urban environment!

All welcome. Refreshments provided.
